

Oh, Sonoran Desert

Oh

Sonoran Desert

How you are home to many

And open to any

Oh

Sonoran Desert

You stretch from California

All the way to Mexico

Oh

Sonoran Desert

You carry the most wonderful sun sets

With the most beautiful colors

Oh

Sonoran Desert

How people take so much

Yet you have so much to offer.

Oh

Sonoran Desert

How your stars are like Lanters

In a dark night sky
